

Begane grond

The floor plan illustrates the layout of a ground floor. The total width of the building is 11.85 m. The front entrance leads into a hall (ca. 5.90m wide) which contains a staircase leading up. To the left of the entrance is a bathroom (douch/toilet). To the right is a large living room (ca. 8.04m wide) with a fireplace (rookkanaal met kachel). A kitchen area (ca. 3.22m wide) is located at the rear of the living room, featuring a sink (schuifpui), a refrigerator (koelen / (comb)puen), a washing machine (vaatwas mach.), and a stove (koken). A separate laundry area (spoelen) is also part of the kitchen. A central hallway (entree hal) connects the bathroom, living room, and kitchen. Two bedrooms are located on the left side of the plan, each with two single beds (stapelbed). A shared bathroom (douch/toilet) is positioned between the two bedrooms. An additional storage area (berging) with a door labeled 'noklijn' is located at the rear of the building. A technical room (cv.) is situated at the far left end. The overall length of the building is 10.10 m.
